1 INTRODUCTION

The purpose of this guideline is to provide all the information governing the application for Occupation Permits and Residence Permits.

The Occupation Permit (OP) is a combined work and residence permit which allows foreign nationals to work and reside in Mauritius under 3 specific categories namely:

1. Investor
2. Professional
3. Self-Employed

Foreign nationals, above the age of 50 years, may also choose to retire in Mauritius under a Residence Permit (RP).

An OP or a RP is issued for a maximum period of three years and the permit holder may submit a new application at expiry of the permit.

Dependents of an OP or RP holder may also apply for residence permits for a duration not exceeding that of the OP or RP holder.

2 CATEGORIES OF OCCUPATION/ RESIDENCE PERMITS

2.1 OCCUPATION PERMIT

There are 3 categories of OP under which a non-citizen can apply. The non-citizen should apply for an OP under the category which best reflects his nature of activities in the country.

2.1.1 Investor

1. An Investor is defined as a shareholder and director in a company incorporated in Mauritius under the Companies Act 2001.
2. An Investor should make an initial transfer of USD 100,000 or its equivalent in freely convertible foreign currency in the account of the company under which the application will be made.
3. The business activity should generate an annual turnover of at least MUR 2 million for the first year and cumulative turnover of at least MUR 10 million for the subsequent two years.
4. A company may have more than one investor as defined above. However, the initial investment and annual turnover will be a multiple of the number of Investors in the company.
5. Existing investor operating but not registered with the board of Investment having a net asset value of at least USD 100,000 or its equivalent in freely convertible foreign currency and a cumulative turnover of MUR 12 million during the preceding 3 years with a turnover of at least MUR 2 million in any one year.
6. Beneficiary, an individual who has inherited a business, in case of death or incapacity of the previous investor provided that the net asset value of the business is at least USD 100,000 or its equivalent in freely convertible foreign currency and a cumulative turnover of MUR 12 million with a turnover of at least MUR 2 million in any one year.

2.1.2 Professional

1. A Professional, as defined under the Immigration Act, is an expatriate employed by a company incorporated in Mauritius to deliver professional services.

2. A Professional should earn a basic monthly salary exceeding MUR 60,000. However, the basic monthly salary for Professionals in the ICT Sector should exceed MUR 30,000.

2.1.3 Self-Employed

1. A Self-Employed is defined as a non-citizen engaged in a professional activity registered with the Registrar of Businesses under the Business Registration Act 2002.
2. A Self-Employed operates a one-person business, working exclusively for his/her own account.
3. A Self-Employed should make an initial transfer of USD 35,000 or its equivalent in freely convertible foreign currency to his/her local bank account in Mauritius.
4. The business activity should generate an annual income exceeding MUR 600,000 in the first 2 years and MUR 1,200,000 as from the third year.

2.1.4 Residence Permit as Retired Non-Citizen

The criteria for applying for a Residence Permit as a Retired Non-Citizen is as follows:

1. A Retired Non-Citizen is defined as a person who is not a citizen of Mauritius and aged 50 years or above.
2. A Retired Non-Citizen should make an initial transfer of at least USD 40,000 or its equivalent in freely convertible foreign currency to his/her local bank account when first settling in Mauritius.
3. A Retired Non-Citizen must transfer to his/her local bank account in Mauritius, at least USD 40,000 or its equivalent in freely convertible foreign currency annually.

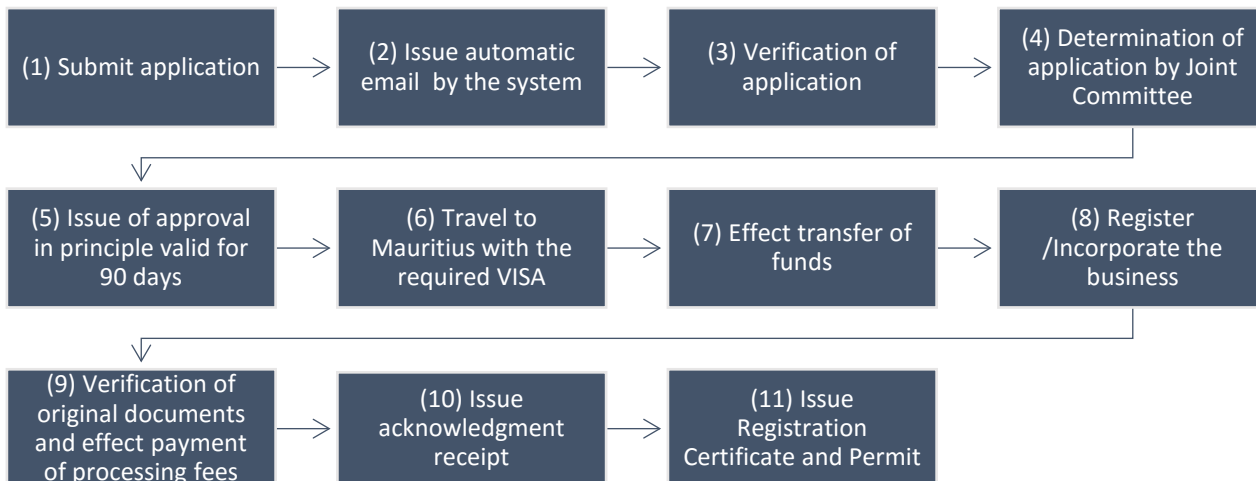

3 APPLICATION PROCESS

Applications for Occupation or Residence Permits are submitted to the Occupation Permit Unit (OPU) which is managed jointly by the Board of Investment (BOI) and the Passport and Immigration Office (PIO).

3.1 CHANNEL A

The steps are as follows:

1. The application is submitted online. The OP application system can be accessed from the link: <http://op.investmauriti.us.com>. The applicant can refer to the [user manual](#) for any additional information on using the online system.
2. At the time of application, all the documents mentioned in the [checklist](#) should be submitted. ([Investor](#): Refer to Section 4.1, [Self-Employed](#): Refer to Section 4.2, [Retired Non-Citizen](#): Refer to Section 4.3).
3. On submission of the application, the applicant will receive an automatic acknowledgement email.
4. The Occupation Permit Unit (OPU) will then validate the application and in case of any missing information, an email will be sent to request for clarifications and documents.
5. A Joint Committee comprising of the Prime Minister's office (PMO), the Passport and Immigration Office (PIO) and BOI, will evaluate the application based on the eligibility criteria, Government's policies and the business plan submitted in case of Investor and Self-Employed.
6. For specific applications, views are requested from relevant public sector agencies in line with their policies.
7. Upon approval of the PMO, the BOI will issue an *Approval in Principle* to the applicant which will be valid for a period of 90 days from the date of issue, with a copy to the PIO and PMO.
8. In case the application has not been recommended, the applicant will be informed accordingly and will be able to request for reconsideration of the case only once.
9. Within the period of 90 days, non-citizens will have to complete the following procedures:
 - a. Investor: Registration of business and incorporation of a company
 - b. Self Employed: Registration of business
 - c. Transfer funds as committed in application form;
 - d. Apply for regulatory licences and obtain required licences or letter of intent, as the case may be;
 - e. Travel to Mauritius and complete the medical examination (refer to the template [Medical certificate](#) at annex).
10. Upon completing the above procedures, the applicant should schedule an appointment with the OPU for validation of original documents, personal identification and effect payment as defined in [section 6](#).

The applicant is required to produce the **original** documents as listed in the [checklist](#) ([Investor](#): Refer to Section 4.1, [Self-Employed](#): Refer to Section 4.2, [Retired Non-Citizen](#): Refer to Section 4.3).

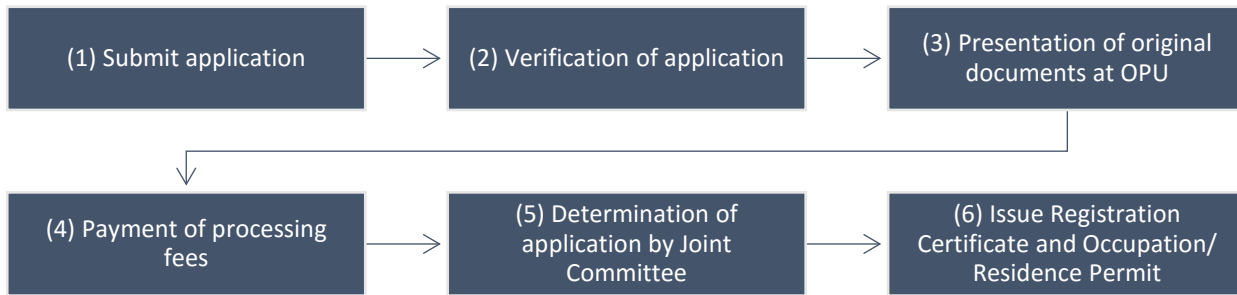

The documents will be verified by both the Passport and Immigration Office and the Board of Investment. The applicant (Investor, Self-Employed, Retired Non-Citizen) will be required to sign on page 3, whereas for Professional page 3 and 4 (undertaking Section 5) on the application form submitted through the OP Online System.

11. The Occupation Permit Unit will ensure that the applicant has submitted all the required documents as per the checklist and will issue a Document Receipt. The applicant will be then registered with the Board of Investment.
12. The applicant should personally collect the Occupation Permit at the Passport and Immigration Office (PIO Delivery Section). His/ her passport, the document receipt and the approval in principle should be presented at the time of collection.

Note:

- (1) Applicants are advised to complete all procedures within the 90 days. After this period, the Approval in Principle will lapse.*
- (2) If ever the Visa (Business Visas for Professionals, Investors and self-employed, and tourist visa for retired non – citizens) has expired, the applicant should leave the Mauritius and wait for validation outside Mauritius.*
- (3) Applicants should ensure that they have the appropriate travel document and visa, where necessary, prior to travelling to Mauritius. **The Approval in Principle does not give de facto right for a visa to enter Mauritius.** Applicants may refer to the following link [for visa requirements](#) in Mauritius.*

3.2 CHANNEL B

The process for submission of an application is as follows:

Medical Certificate

All non-citizens are required to do a set of compulsory medical tests as set out below:

1. Blood tests for:
 - a. Haemoglobin and Full Blood Count;
 - b. Hepatitis B Surface Antigen;
 - c. Anti HIV screening test for AIDS;
 - d. VDRL test
 - e. Urine tests for albumin and sugar;
 - f. Stool test for parasites;
 - g. Chest x-ray
 - h. Lymphatic Filariasis
 - i. Leprosy
2. Leprosy test is restricted to Indian nationals only, where the consulting Doctor should add on the Medical Certificate that the person is not suffering from Leprosy.
3. Lymphatic Filariasis test is required only to non-citizens coming from: India, Bangladesh, Madagascar, Brazil, Comoros, Ivory Coast, Ghana, Indonesia, Kenya, Mozambique, Nepal, Nigeria, Philippines, Tanzania, Uganda & Vietnam.

Out of these tests, the following three tests should compulsorily be done in Mauritius: (i) Hepatitis B Surface Antigen, (ii) HIV and (iii) Chest x-ray.

These tests may be done at any private local medical laboratory or clinic registered with the Ministry of Health and Quality of Life. Indicative list of private clinics and laboratories are annexed.

The remaining tests may be done in the applicant's country before coming to Mauritius or in Mauritius itself.

Some key notes:

- All the tests results should be submitted to a local doctor who will issue a medical certificate after an examination. The medical certificate and the reports for the three tests done in Mauritius (HIV, Hepatitis B Surface Antigen and chest x-ray) must be submitted at time of application.
- No application for Occupation Permit will be accepted if there is evidence that the applicant is suffering from any infectious or contagious disease.
- Medical tests should have been done no longer than six months before date of submitting an application.
- The chest x-ray should be signed by a radiologist.
- Children who are below 12 years will have to submit a Medical Certificate after undergoing a clinical examination. Appropriate medical investigations including a Chest x-ray and blood test should be carried out only if required by the doctor.

20 TEMPLATE BUSINESS PLAN

In order to start a business in Mauritius, a foreign investor/self-employed applying for a permit must provide the Board of Investment (BOI) with a document describing the venture he/she intends to create.

This “Business Plan” is required to present a certain amount of information about the business divided into sections. This is a table recapitulating these sections and their significance relative to the business plan:

Section	Significance in the business plan (%)
Executive Summary	15
Company Overview	5
Products or Services	10
Market Analysis	10
Management Team	10
Operating Strategies	10
Critical Risks	15
Cash Flow Statement	10
Income Statement	5
Balance Sheet	5
Funds Required / Used	5

Executive Summary

It is a standalone overview of the business describing it in a clear, compelling and effective way. It must be able to be read in 5 minutes.

Company Overview

This section presents a vision, the history and the current status of the business. It also outlines the strategy and mission, as well as the goals and objectives set to realize it.

Products or Services

Presents the key features, technology, benefits, stage of development, intellectual property and competitive advantages of the products or services the business offers.

Market Analysis

Explains the industry trends and drivers, the target markets of the business and assesses the competitive environment.

Management Team

This section presents the organizational structure of the company along with the staff needs. It also includes a presentation of the top management team, with their CVs and roles, and the team history and dynamics. This section should highlight the adequacy of the team’s skills and the objectives of the business.

Operating Strategies

In this section, the operating strategies are laid out: marketing, production, R&D, personnel, administrative and financial strategies.

Critical Risks

Identifies the major internal and external critical risks (financing, market, execution...), and viable plans to address them.

Cash Flow Statement

Plans out cash flows over a projected 5-year period, consistent with the strategies outlined above.

Income Statement

Expose a realistic and attractive income potential of the business activity. This projection has to be detailed for the first 2 years, then quarterly for years 3 to 5.

Balance Sheet

This section must include a projected balance sheet for 5 years, including working capital and fixed asset requirements and detailing the capital structure of the business.

Funds Required / Used

A clear and concise presentation of the amount, type, timing and use of funds gathered. This section should present a precise timeline with figures presenting the investment plan on 5 years for the business.
